

PINOTAGE ROSÉ

W.O. WESTERN CAPE | SOUTH AFRICA

TASTING NOTES

Picture a glass filled with vibrant, salmon pink wine. Fresh aromas of raspberry and strawberry take centre stage, with a hint of Turkish delight on the finish.

FOOD PAIRING & SERVING

It's a light-bodied and dry wine, perfect for sipping on its own or as a versatile companion for prawns, lobster, smoked salmon, tapas, salads, or pasta. It's the perfect all-rounder!

Serve it well chilled between 8°C to 10°C.

WINEMAKING

Grapes from trellised vineyards in Bredekloof. Grapes from a younger vineyard block were selected to produce the Rose. After light crushing, the grapes were cold-soaked just long enough to obtain a light pink hue and the berry aromas from the skins. The free-run was clarified through cooling and cold-fermented at 12°C to 14°C.

Alcohol	12.4%	Acid	5.3g/L
Sugar	2g/L	pH	3.6

PACKAGING

Glass Bottle	410g	Closure	Screwcap
